From the above detail you will note an election will therefore only take place for the positions of President and Joint Secretary, between the individuals detailed.

Those individuals who have been nominated and have been selected un-opposed will now commence a hand over process from the existing office bearers where appropriate and thus ensure a smooth transition of operations.

The consent forms issued to all on the HI Mission contact list have now been received and these details are currently being reviewed by the Executive Committee facilitating the Election process, upon completion a list of individuals who have chosen to pass their details to those Standing for Office will be provided to each candidate.

As per the email issued to all on the HI Mission contact list, the full list of those upon the HI Mission Election List will then be forwarded to the Independent Election Commission who will then look to send out Ballot Papers to listed members upon the Missions Election list.

The Ballot papers will be accompanied with a Stamped Addressed Envelope and we would urge all those receiving these to participate within the Election process and return the ballot indicating their chosen candidate for each post.

The Executive Committee is still comfortable in meeting the timelines issued in the email on the 15th May 2015 and is hopeful a result will be provided in time for the planned 9th August 2015 Annual General Meeting.

As always the Committee has provided contact points for individuals who can be contacted in respect of the content of this communication.

We pray for the support of you all for a successful Election process followed by a Positive Annual General Meeting.

Important Note:

Please be advised if for any reason you failed to receive or return the consent document sent out with a letter from the Executive Committee dated the 22nd May 2015, **THIS DOES NOT EXCLUDE YOU FROM THE ELECTION PROCESS. THE CONSENT LETTER WAS ISSUED TO ESTABLISH IF PARTICULAR MEMBERS WISHED TO HAVE THEIR PERSONAL DETAILS PASSED TO THE CANDIDATES FOR OFFICE FOR CANVASSING PURPOSES.**

If any member still wishes to complete a consent form, please contact brother Saqib Rizvi who will assist in getting this to you and whilst any forms now received will not be passed to the candidates for the current election, **UP TO DATE DETAILS FOR ALL MEMBERS** are important to the committee and the Mission as a whole to help us maintain effective communication channels with all members.
